PINHOOKERS AFTER MADISON TOBACCO

With reports all over the burley district that offers for tobacco around 40 to 60 cents are being refused, the festive "pinhooker" has begun to get active in Madison county. So far known, the only varieties of the breed yet noticed have been from Lexington. One from that city was in the Newby and Valley View section this week. So far as could be learned he didn't have much luck in buying any Madison county weed. Most of the growers seem to be waiting for the big prices they feel sure of getting at the Richmond warehouses. Sam Million refused 55 cents a pound for his crop of seven or eight acres. Miley Long refused 40 cents a pound for his weed. Joe Long offered a tenant on his place 40 cents a pound for his share of a three and a half acre crop but the man concluded not to sell.

Many Endorsing Friend
A delegation of men from Lexington and Estill county called on Governor Black to urge the appointment of Robert Friend, of Irvine, to succeed Circuit Judge James Adams, who died last week.

MORE SEATS NEEDED AT CALVARY REVIVAL

The crowds at the Calvary Baptist tent meeting continues to increase. More seats were secured Friday and yet the crowd was not all seated. More seats will be secured today, and it is hoped that everyone can get a comfortable seat tonight. In the absence of Singer Byrd, Mr. Jas. Shaw will sing tonight.

Evangelist Tolle, in his characteristic way, delivered a great sermon from the following text: "Whatsoever a man soweth, that shall he also reap." Gal. 6:7. His points were sowing in the home or your city; sowing in business; sowing in church; sowing in the kingdom.

The evangelist used many practical illustrations drawn from his own observations to prove beyond a shadow of doubt that whatsoever a man soweth that shall he also reap. If he sows good seed he shall reap a good harvest. If he sows wild seed he shall reap evil harvest.

SHERIFF WHITLOCK BUYS TOBACCO FARM

Sheriff Pete Whitlock, who had such splendid success with a couple of acres of tobacco grown in his back yard last year, has decided to go into the business on a larger scale, and to this end has bought him a boundary exceptionally good tobacco land in the Ruthion section of the county. Last year, after office hours, the popular sheriff put his backyard in tobacco, hoed, wormed and took entire care of it himself, and sold it on the Richmond breaks for \$1,502.41 which is enough to make anyone want to go into the business.

Mr. Whitlock bought of Joe Long 214 acres of land, at an average price of \$144.50 an acre. This land was recently bought by Messrs. Joe and Phil Long in a tract of 300 acres from Virgil Gaines at \$140 an acre. The Sheriff didn't need the whole boundary he bought, so he sold 25 acres to his brother, J. T. Whitlock at \$150 an acre. The Messrs. Long gave Josh Griggs, of Newby, an option of 41 acres they had left out of the big tract, at \$141 an acre.

Sheriff Whitlock intends to have his new acquisition put largely in tobacco, for which it is splendidly adapted.

TWO SECOND STREET HOMES ARE BOUGHT

Miss Sallie Ellis sold her two houses on Second street this week. Miss Ellis sold her new house near Caldwell school to Mr. and Mrs. C. H. Parks.

To Mr. S. P. Deatherage, Miss Ellis sold her former home on Second street, which is known as the old Ellis place. She made her home here before removing to Frankfort. It is understood that the price of the property was around \$5500 and the other \$5,000. Both are very desirable and attractive homes.

BENNETT BUYS INTEREST IN FINE BUSINESS SITE

W. Neale Bennett bought a half interest in the Collins property at the corner of Main and Third streets, from L. W. Minter this week. The price was \$7,500, or the same figure that Mr. Minter paid for it when, in partnership with Burton Roberts they bought the whole property for \$15,000, from Mrs. Mary Collins Arbuckle several months ago. Just what plans the new owners have for this desirable location have not as yet been made public or determined upon, it is said. The site is a very attractive one, and quite valuable, having two houses and a livery barn now on it, and making it a profitable investment as it stands. Mr. Bennett sold out his furniture and undertaking business to Muncy Bros., the other day.

MR. WILL WAGERS BUYS GREENLEAF HOME

Mr. Will Wagers purchased the Greenleaf home through H. C. James, the real estate man this week. The Greenleaf home was bought by Prof. B. F. Gabby, of the Caldwell High School, from Miss Nannie Ballard, two years ago, and has been in his possession until the present time. This is one of the most desirable homes on Lancaster avenue, and Mr. Wagers will be given possession Jan. 1, 1920. The price paid has not been made public.

ONE MORE ADDED TO BOSTON LIST

(By Associated Press)

Boston, Sept. 13.—Police Commissioner Curtis today announced the posts deserted by striking policemen were vacant, and that he would proceed to fill them. He acted on advice of Attorney General Wyman, at the same time saying he was prepared to submit to the Mayor recommendations for a revision of the policemen's salaries. A man was killed and a woman shot in the knee today while State Guards were endeavoring to clear the street entrance to the subway. The man was shot while engaged in an argument with a guard. The quickly gathered crowd was dispersed with fixed bayonets. Twenty-six of the 53 park policemen who struck in sympathy with the regular force Wednesday night, returned to duty and accepted assignments in the city. Apparently they are exempt from Curtis' order vacating patrolmen's positions.

New York, Sept. 13.—When informed that Police Commissioner Curtis had declared the posts of striking Boston policemen vacant Samuel Gompers, president of the American Federation of Labor, merely said he supposed Curtis was "willing to assume responsibilities for consequences of his action."

SAYS CONFERENCE SEEKS REVENGE

(By Associated Press)

Berlin, Thursday, Sept. 11.—Hugh Preuss, who drafted the new German constitution, today severely arraigned the peace conference's demand that Germany amend its constitution by eliminating the Austrian representation in the German parliament. "Such treatment adds to the spirit of revenge on the German people," he said to the Associated Press. "Their goal must be the destruction of German democracy or of Germany herself."

Pershing Reports Officially

(By Associated Press)

Washington, Sept. 13.—General Pershing officially reported to Secretary Baker his return from France with victory over Germany accomplished. Through cheering crowds, bent on seeing the man who headed the American armies in the great struggle, and through throngs of clerks in side buildings, he with difficulty made way. His progress blocked, a watchman finally hauled him out of the clutches of the crowd. His aides performed the same service outside the buildings.

12 Big Stakes

(By Associated Press)

Louisville, Ky., Sept. 15.—Besides announcing the closing of entries for the 12 stake races on Kentucky tracks this fall, the Kentucky Jockey Club management has announced that the club will give to the winners of the races a total of \$74,500, which with entrance and starting fees will swell the sum to more than \$100,000. The daily distribution in purses, the announcement added, will be \$9,500.

Teachers' Examination

Teachers' examination will be held at the courthouse Friday and Saturday, Sept. 19 and 20th, by the County Board of Examiners composed of Supt. Ben Edwards, Prof. J. B. Harris and Miss Myrtle Dalton.

Maydan Won Big Stake

Much interest was occasioned here by the victory of Maydan, in the gelding division of the saddle horse championship at the State Fair. Maydan was handled and sold by Edgar T. Doty to his present owner W. L. Lewis. The Post said of the ring: "A brilliant exhibition by Maydan, a handsome gray gelding, owned by W. L. Lewis, Tulsa, Okla., and ridden with splendid judgement by 'Del' Holman, caused Judge Pemberton to award him the blue ribbon in the gelding division of the \$10,000 saddle horse stake last night in the State Fair ring. Maydan never made a mistake and won the plaudits of the big crowd in the Hippodrome. The other geldings to qualify for the 'Seelbach Stake,' grand championship, Saturday night, were: Mass of Gold, owned and shown by W. G. Shropshire, Winchester, Ky., and Sinbad, from the stable of R. E. Moreland, Lexington, with his owner having the mount."

Maydan is a son of Jack Twigg, and so excellent was his work that Judge Pemberton took less time in making his decision than in the mare and gelding Tuesday.

Swinebroad will hold for J. H. Baughman in Danville Sept. 16th and 17th. They are cutting up a number of lots and baby farms right at the edge of Danville in the most desirable section, and have the biggest bargain of the season in the way of offerings for the thoughtful buyer. They are advertising their great sale, lavishly, as Swinebroad always does, and a big success is expected.

"Why I Put Up With Rats for Years," Writes N. Windsor, Farmer.

"Years ago I bought some rat poison, which nearly killed our fine watch dog. It so scared us that we suffered a long time with rats until my neighbor told me about RAT-SNAP. That's the sure rat killer and a safe one." Three sizes, 25c, 50c, \$1.00. Sold and guaranteed by Douglas & Simmons, Stockton & Son, Richmond; Welch Dept. Store, Berea; Hervey & Woods, and R. H. Country Merchant Kills Negro Burglar

Following a series of daring burglaries of country stores in Bourbon county within the past few days, J. H. McGinnis, who conducted a store on the Lexington pike out of Paris and at the intersection of the Hume and Bedford pikes, got his shotgun loaded with buck shot when he heard some one breaking into his store. He stole softly up toward the front, and in the semi-darkness spied three men at work on the front door. They had torn the screen door from its hinges and had thrown it in the pike. They forced the inner store door and one of the men was advancing into the store when Mr. McGinnis fired. The load took effect, the man dropping to the floor. The other two made their escape. The dead man was Charles Morris, a negro, a former railroad employee. The coroner's jury's verdict not only acquitted Mr. McGinnis, but commended him with these words: "This jury compliments Mr. McGinnis upon the thorough and efficient manner in which he protected his home and property, and the service he has rendered the public."
